
**DEPARTMENT OF
ELECTRONICS AND COMMUNICATION
ENGINEERING**

**EC133P – ELECTRONIC WORKSHOP
LABORATORY**

Name:

Reg No:

Section:

**SCHOOL OF ENGINEERING AND TECHNOLOGY
DEPARTMENT OF ELECTRONICS AND COMMUNICATION
ENGINEERING**

Mysore Road, Kanminike, Bangalore 560074

LABORATORY CERTIFICATE

This is to certify the Mr./Ms.
has satisfactorily completed the course of experiments in ***ELECTRONIC WORKSHOP LAB EC133P*** prescribed by the ***DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING***, CHRIST (Deemed to be University) for ***FIRST*** semester ***B.Tech*** course in the laboratory of this university during the year ***2021-22***.

Signature of Course-Incharge

Signature of HoD

Name of the candidate:

Register Number:

Exam Centre: SoET, CHRIST (Deemed to be University), Kengeri Campus

Date of Practical Exam:

Signature of Examiners:

Table of Contents

Sl. No	Date	Description of Experiments	Page No	Marks	Sign of Faculty
1	26-08-2021	Verification of truth table of logic gates			
2	02-09-2021	Realization of logic circuits with Boolean expressions			
3	23-09-2021	Half Adder and Full Adder			
4	04-11-2021	Series and Parallel circuits			
5	10-11-2021	Half-wave and Full-wave rectifier			
6	18-11-2021	Resistor colour coding			
7	02-12-2021	V - I Characteristics of PN junction diode			
8	02-12-2021	Zener diode current-voltage characteristics			
9	09-12-2021	a. Familiarization of function generator and Digital storage oscilloscope b. Study of step down transformer			
10	09-12-2021	Soldering
